# Instalação Add-on

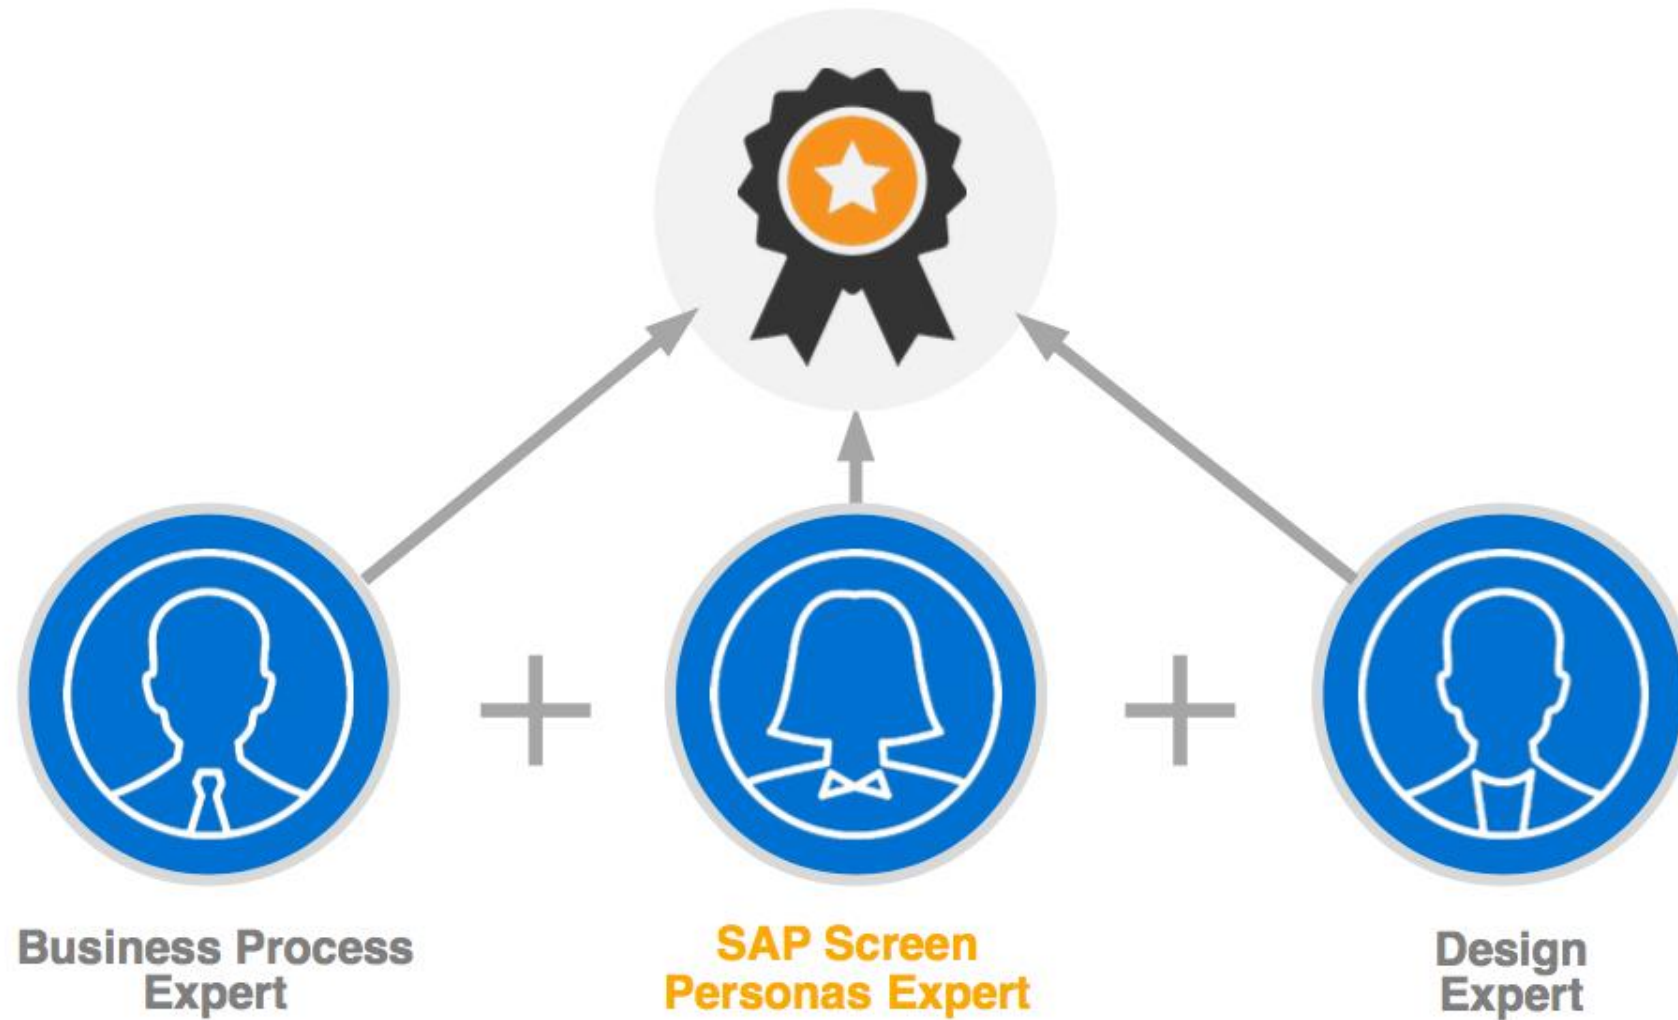

The screenshot shows a window titled "Installed Software" with two tabs: "Installed Software Component Versions" (selected) and "Installed Product Versions". Below the tabs is a toolbar with icons for search, list, filter, and other functions. The main area contains a table with the following columns: Component, Release, SP-Level, Support Package, and Short Description of Component. The table lists various SAP add-ons, with the "PERSONAS" component highlighted by a red box.
